

GKN Aerospace Approvals

General machining, finishing and sub-assembly of components for C27 contract including procurement of raw material

- WAPS32-04 Fabrication of 177 deg C cure, epoxy resin pre-preg carbon fibre reinforced composite laminate (Restricted to 20/10/15 and does not cover Sandwich panels) (Exp. 23/06/18)
- WAPS32-08 Fabrication of Bismaleimide resin impregnated woven carbon reinforced composite laminates (Exp. 23/06/18)
- WAPS36-01 Wet Assembly Jointing & Fillet Sealing Compounds (Exp. 16/10/18)
- WAPS32-01 Surface Finish Requirements for Moulded Fibre Reinforced Plastic Components (Exp. 09/08/18)
- WAPS26-01 Application of Cold Curing Epoxy Primers & Fillers (Exp. 09/08/18)
- WAPS26-02 Application of Flexible and Abrasive resistant Polyurethane Paint (Exp. 09/08/18)
- WAPS25-07 Approval of NDT Personnel (Exp. 02/06/18)
- WAPS25-13 Ultrasonic Inspection of Composites (Exp. 02/06/18)
- WAPS07-07 Adhesive Bonding (Exp. 16/10/18)
