## Raytheon Recognizes Teledyne e2v HiRel with Supplier Excellence Award

**MILPITAS, CA – March 25, 2020** – Teledyne e2v HiRel, a business unit of the Teledyne Defense Electronics Group, has been chosen by Raytheon’s Integrated Defense Systems as a recipient of its 3-Star award for Supplier Excellence.

Raytheon’s Integrated Defense Systems business instituted the annual Supplier Excellence Awards program to recognize suppliers who have provided outstanding service and partnership in exceeding customer requirements. Award candidates are judged on certain criteria, including overall quality and on-time delivery. Teledyne e2v HiRel was one of 34 companies recognized by Raytheon’s Integrated Defense Systems business for 3-Star honors.

“We take great pride in adhering to and exceeding the highest standards in customer service, reliability testing, and quality,” said Erik Everett, Vice President of Sales for Teledyne e2v HiRel. “To be singled out for recognition by one of our most trusted partners, Raytheon, is very gratifying.”

Teledyne e2v HiRel offers high-performance, high-reliability semiconductor solutions which address the critical functions of the complete signal chain. With a range of products and package solutions, HiRel caters to civil aerospace, industrial, medical, military, scientific and space applications.
