

Certificate of Registration

QUALITY MANAGEMENT SYSTEM - EN 9100:2018

This is to certify that:

Teledyne CML Composites
a trading division of Teledyne Limited
Tebay Road
Bromborough
CH62 3PA
United Kingdom

Holds Certificate Number:

FM 612435

and operates a Quality Management System, with a Single site certification structure, which complies with the requirements of EN 9100:2018 (technically equivalent to AS9100D and JISQ 9100:2016) and ISO 9001:2015 and is assessed in accordance with EN 9104-001:2013 for the following scope:

The manufacture of composite components, build - test of minor / major assemblies, tooling and general precision machining of components by CNC, NC and conventional methods maintaining full traceability throughout. Metal to metal bonding and metal to composite bonding. Hardness and conductivity testing. Mechanical testing including tensile testing, composite testing – flexural, shear, bells peel, climbing drum and component peels. NDT, including A-Scan Ultrasonic Testing. Manufacture of sheet metal parts involving a precipitation age hardening process. Painting of substrates including water based, epoxy/HS primers and polyurethane finishes. Registration provides for the maintenance of lot traceability.

For and on behalf of BSI:

Andrew Launn, EMEA Systems Certification Director
