

Leonardo MW Limited Standards Approvals

- Supplier of Class 1 / Grade A Parts
- Procurement of aerospace metallic raw materials to SQA50
- General machining
- General assembly

WHMS 297 – Procurement of nomex honeycomb

WHMS 354 – Procurement of film adhesives and primers

WHMS 359 – Procurement of 125 Deg C curing foaming adhesives

WHMS 415 – Procurement of polymethacrylimide foam

WHMS 435 – Procurement of room temperature curing structural paste adhesives

WHPS 023 – Part marking Mtd M1 Ink stamping

WHPS 023 – Part marking Mtd M8 Vibro percussion engraving (Vibro Etch)

WHPS 023 – Part marking Mtd M13 Integral marking of composites

WHPS 030 – Localised alocrom 1200 treatment

WHPS 052 – Precipitation treatment of aluminium alloys excluding aluminium-lithium sheet

WHPS 081 – Epoxy Priming
WHPS 081 – Epoxy Prime (Local)
WHPS 256 – Cleaning of parts 1A swab degrease
WHPS 319 – Bonding with 120 Deg C curing film adhesives
WHPS 370 – Use of epoxy based resin fillers
WHPS 431 – Processing of rohacell foams
WHPS 439 – Hardness testing of steel with UTS 1000 to 1700 Mpa (330 to 500 Hv)
WHPS 439 – Hardness testing of steel with UTS above 1700 Mpa (500 Hv) and cased surfaces
WHPS 439 – Hardness testing of metallic materials of UTS less than 1000 Mpa (330 Hv)
WHPS 439 – Conductivity testing of aluminium alloys
WHPS 444 – Bonding of class 3 and grade B components with paste adhesive
WHPS 630 – Use of ancillary materials for the manufacture of composite components
WHPS 643 – Processing of honeycomb core materials
AWPS001X – Ultrasonic & bond test inspection of composite & bonded parts
