2. ACCEPTANCE OF ORDER

These terms and conditions apply to all Orders issued by Buyer to Seller. Seller's acceptance of Buyer's Order, and any changes or amendments thereto, is expressly conditioned upon and strictly limited to Seller's acceptance of Buyer's terms and conditions. Unless otherwise agreed upon in writing by a duly authorized representative of Buyer, Buyer objects to and is not bound by any terms or conditions that differ from, add to, or modify these terms and conditions including, but not limited to, any terms and conditions proposed by Seller whether contained in any forms, acknowledgements, or Seller's website. Buyer's failure to object to any terms and conditions or any other provisions contained in any communication from Seller does not waive any of Buyer's terms and conditions. Buyer's Order shall be binding upon the Parties upon the earlier of Seller (i) returning an Order acknowledgement to Buyer; (ii) commencing performance of Buyer's Order; or (iii) delivering any of the Goods or performing any Services under Buyer's Order.

3. SCOPE OF WORK AND PERFORMANCE

(a) Seller is responsible for delivery of Goods and/or performance of Services under Buyer's Order, as applicable.

(b) If Buyer's Order includes a Statement of Work, (i) Seller is responsible for meeting all requirements specified therein and (ii) Seller is strictly prohibited from subcontracting any part of the Statement of Work to third parties without Buyer's prior written authorization. In the event Buyer provides such authorization, the subcontractor will be bound by all obligations herein, including adherence to all export control requirements.

(c) Seller shall give Buyer not less than ninety (90) days' prior written notice in the event of any changes which may affect the performance of Buyer's Order, including, but not limit to, any (i) organizational, operational, or other changes which may affect Seller's performance of Buyer's Order; (ii) relocation of any of Seller's facility involved in performance of Buyer's Order; (iii); transfer of any significant part of the relevant process or manufacturing operations from one facility to another; (iv) significant changes to Seller's workforce; or (v) refusal, suspension, withdrawal, or revocation of a relevant quality or capabilities, systems, or approvals.

Seller shall not charge Buyer prices higher than those stated in Buyer's Order unless authorized by a written change order or notice issued and signed by a duly authorized representative of Buyer.

(b) Seller warrants that the prices charged for Goods and/or Services under Buyer's Order are the lowest prices charged by Seller to any other customer for substantially similar goods and services under similar conditions. If Seller charges any other customer a lower price for such similar goods and/or services, Seller shall notify Buyer and apply that price to the Goods and Services under Buyer's Order.

5. INVOICES AND PAYMENT

(a) Unless stated otherwise in Buyer's Order, Seller shall not issue invoices and Buyer shall not make any payments to Seller prior to delivery of Goods or completion of Services. Seller invoices shall identify Buyer's Order number, line item number(s), part number(s), description(s), and quantity invoiced. Shipping charges, applicable taxes, or any other charges Buyer has agreed to pay and not furnished an exemption certificate must be itemized separately on Seller's invoices. Unless such charges are itemized, Buyer may take any applicable discount based on the full amount of each invoice. Seller agrees that its books and records, or such parts thereof as may relate to the performance hereunder, shall at all reasonable times be subject to inspection and audit by Buyer's employees or representatives.

(b) Buyer shall make payment to Seller within ninety (90) days of receipt of a correct invoice for Goods delivered to and accepted by Buyer unless Buyer's Order specifies different payment terms, in which case the payment terms specified in Buyer's Order shall apply. Unless otherwise authorized by Buyer, the payment due date for Goods delivered early by Seller shall be calculated based on the delivery schedule specified in Buyer's Order. Any payment discount offered by Seller shall be computed from the later of (i) the date of delivery, or (ii) the date a correct invoice is received by Buyer. For purposes of earning the discount, payment shall be deemed to have been made on the date Buyer's check is mailed, or the date funds are electronically transferred to Seller's account.

6. TAXES

Except as otherwise specified in Buyer's Order or unless prohibited by law, Seller shall pay all federal, state and local sales, use, excise, or other taxes that may be levied upon any of the Goods and/or Services or the Parties hereto, by reason of the sale, delivery, or use of the Goods and/or Services. All taxes of any nature invoiced to Buyer must be specifically identified and itemized separately. If any tax, or portion thereof, included or added to the price paid by Buyer to Seller is subsequently refunded to Seller, Seller shall promptly pay to Buyer the amount of such refund.

7. PACKAGING AND MARKING

If stated in Buyer's Order, Seller shall comply with any special packaging and marking requirements; otherwise, Seller shall package and mark all Goods in accordance with best commercial practices and adequately protect Goods against damage and deterioration during transit. Packing or marking charges are not allowed unless specifically authorized in Buyer's Order. Seller's packing list must include, at a minimum, Buyer's Order number, line item number(s), part number(s), description(s), and quantity shipped.

8. DELIVERY, SHIPPING TERMS, TITLE, AND RISK OF LOSS

(a) Buyer's production schedules and warranties to its customers are dependent upon Seller meeting the required delivery dates stated in Buyer's Order. Accordingly, time of performance and delivery is of the essence. Seller shall be responsible for all damages of any kind incurred or suffered by Buyer that arise as a result of any delay of Seller in making deliveries of conforming Goods or in performance of Services. Seller agrees to notify Buyer in writing immediately if at any time it appears that Seller may not be able to comply with the Order's delivery schedule. Such notification shall include the actual or potential reasons for the delay, the actions being taken to remedy the delay, and the anticipated revised delivery schedule. Such notice, and any assistance furnished by Buyer to overcome delays, shall not waive Buyer's remedies for delay and resulting default, including termination rights, if Seller fails to meet the Order delivery schedule. In such events, Buyer reserves the right to require Seller to ship delayed Goods via expedited or fastest means.

(b) All domestic shipments shall be delivered F.O.B. at the point of delivery stated in Buyer's Order in accordance with the Uniform Commercial Code (UCC). All international shipments shall be delivered DAP at the point of delivery stated in Buyer's Order in accordance with the version of Incoterms in effect as of the date of Buyer's Order. Seller shall bear risk of loss or damage to Goods during transit, and title to Goods shall not pass to Buyer until received at Buyer's designated location in accordance with the terms of Buyer's Order. Delivery shall not be deemed complete until the Goods have been actually received by Buyer at the delivery location identified on Buyer's Order. Unauthorized advance shipments and shipments of excess quantities may be returned at Buyer's sole option and Seller's sole risk and expense.

9. FORCE MAJEURE

Any delay or failure of either Party to perform its obligations under Buyer's Order shall be excused if such delay or failure is the result of an unforeseeable event or occurrence beyond the reasonable control of such Party, and without such Party's fault or negligence including, but not limited to, acts of God, acts of government, terrorism, fires, floods, windstorms, explosions, riots, natural disasters, wars, sabotage, or court injunction (each a "Force Majeure Event"). If such delays exceeds thirty (30) calendar days, Buyer may, at its option, terminate Buyer's Order without further liability to Seller except for Goods already delivered by Seller and accepted by Buyer prior to the date of such termination.

10. QUALITY CONTROL SYSTEM

Seller shall provide and maintain a quality control system to an industry recognized quality standard and in compliance with any other specific quality requirements identified in Buyer's Order. Records of all quality control inspection work by Seller shall be kept complete and available to Buyer and its customers for a minimum of seven (7) years or longer if stated in Buyer's Order.

11. INSPECTION

Buyer reserves the right to inspect all Goods prior to shipment by Seller, and in furtherance thereof, Seller shall permit employees and/or representatives of Buyer and Buyer's customer and regulatory authorities to have access to Seller's facilities at all reasonable hours. Notwithstanding such inspection, all Goods shall be subject to final inspection and acceptance by Buyer upon receipt. Buyer's inspection, or its lack of inspection, shall not affect any express or implied warranties. Where work is subcontracted to third parties, Seller shall secure rights for Buyer to inspect, test, and review work at subcontractors premises. If Buyer's Order specifies that Goods shall be subject to inspection at Seller's facilities, Seller shall provide reasonable space and assistance for the safety and convenience of Buyer's and Buyer's customer's employees and/or representatives. At the time of inspection, Seller shall make available to such representatives copies of all specifications, drawings, and other technical data applicable to the Goods ordered. No inspection, test, delay or failure to inspect or test, or failure to discover any defect or other nonconformance shall relieve Seller of any obligations under Buyer's Order or impair any rights or remedies of Buyer, including revocation of acceptance. Seller shall provide a Certificate of Conformity with all deliveries certifying that Goods delivered and/or Services performed meet all requirements of Buyer's Order and any Statement of Work thereunder. All nonconforming Goods and materials designated as scrap shall be permanently marked and controlled as such until physically rendered unusable.

12. ACCEPTANCE

Payment for any Goods and Services under Buyer's Order shall not constitute acceptance thereof. Buyer reserves the right to reject and refuse acceptance of Goods that do not conform to the requirements, instructions, specifications, drawings, data, or warranties stated or referenced in Buyer's Order. Nonconforming Goods shall be returned to Seller for full credit, repair, or replacement at Seller's sole risk and expense, including transportation charges and Buyer will suspend payment of any invoice relating such nonconforming Goods. Buyer's acceptance of Goods is not a waiver of Buyer's right to reject and/or return Goods which are subsequently found to not conform to Buyer's Order, or by reason of patent or latent defect, or other breach of warranty, or to make a claim for damages, including manufacturing costs, damage to material or articles caused by improper boxing, crating, or packing, or other damages. Such rights and remedies shall be in addition to any other remedies provided by law.

13. WARRANTIES

(a) All warranties of Seller, whether created expressly by law or in fact, are incorporated herein by reference, apply to Buyer's Order, and are supplemented by the following express warranties. For a period of twelve (12) months from Buyer's acceptance, or such other period as may be agreed by the Parties in writing or specified in Buyer's Order (the "Warranty Period"), all Goods and/or Services shall (i) conform with any and all specifications, drawings, samples, or other descriptions referenced in and/or furnished with Buyer's Order; (ii) be merchantable, of good design, material, and workmanship; (iii) be new and not contain used or reconditioned material; (iv) be free from defects; (v) be suitable for their intended purpose; (vi) not infringe upon or violate the legal or equitable rights of any third party or out of any license, franchise, patent, trademark, or other proprietary right, now or hereafter in effect; (vii) be free and clear of any security interests, liens or other encumbrances; and (viii) comply with all applicable laws and regulations.

(b) If Buyer determines there is a defect in the Goods at any time during the Warranty Period, Seller shall, at its sole expense and without delay, repair or replace the defective Goods or, at Buyer's sole option, refund to Buyer the price of the defective Goods. In the event that it is impractical to return the rejected Goods to Seller, Buyer may require Seller to carry out the necessary re-design, repair, modification or replacement as appropriate at Seller's expense where the Goods are located.

(c) Any and all repaired or replaced Goods shall be covered by this warranty for a new period equal to the original Warranty Period. All obligations of Seller hereunder shall survive acceptance of and/or payment for the Goods. Seller shall indemnify and hold Buyer harmless from and against all liability, loss, consequential and incidental damages, and expenses resulting from the breach of any warranty, or resulting from any other act or omission by Seller, its agents, or employees, while in the performance hereof.

(d) If at any time the Goods and/or Services become non-conforming for any reason, Seller must immediately notify Buyer in writing. In addition, if required by Buyer, Seller shall provide Buyer a report identifying the cause of the non-conformance and any additional Goods or Services that may be affected by the defect, and/or the repair action to be taken.

(e) The forgoing warranties, and all other warranties, express or implied, shall survive delivery, inspection, acceptance and payment and shall extend to Buyer's customers at whatever tier.

(f) The rights and remedies granted to Buyer under this Section are in addition to any other rights or remedies provided elsewhere in Buyer's Order or under law.

14. COUNTERFEIT PARTS

A Part is a "Suspect Counterfeit Part" if visual inspection, testing, or other information provides reason to believe that the Part may be a Counterfeit Part. As used herein, "authentic" means (i) genuine; (ii) from the legitimate source claimed or implied by the marking and design of the Part offered; and (iii) manufactured by, or at the behest and to the standards of, the manufacturer that has lawfully applied its name and trademark for that model/version of the Part.

(b) Seller represents and warrants that only new and authentic Parts and materials are used in Goods ordered by Buyer and that such Goods contain no Counterfeit Parts. No other Part other than a new and authentic Part shall be used unless approved in advance in writing by Buyer's duly authorized representative. To further mitigate the possibility of the inadvertent use of Counterfeit Parts, Seller shall only purchase authentic parts/components directly from original equipment manufacturers ("OEMs") and original component manufacturers ("OCMs") or through the OEM's/OCM's authorized distributors. Seller shall make available to Buyer, at Buyer's request, OEM/OCM documentation that authenticates traceability of the Parts to the applicable OEM/OCM. Purchase of Parts from independent distributors is not authorized unless first approved in writing by Buyer's duly authorized representative.

(c) Seller shall maintain a documented system (policy, procedure, or other documented approach) that provides for prior notification to Buyer and Buyer's written approval before Parts are procured from sources other than OEMs/OCMs or through the OEM's/OCM's authorized distributors. Seller shall provide copies of such documentation for its system for Buyer's inspection upon Buyer's request. Seller's system shall be consistent with applicable industry standards including, as a minimum, AS5553 for the detection and avoidance of Counterfeit Parts and Suspect Counterfeit Parts.

(d) Acceptance of Buyer's Order constitutes confirmation by Seller that it is the OEM, OCM, or a franchised or authorized distributor of the OEM/OCM for the Goods procured under Buyer's Order. Seller further warrants that OEM/OCM acquisition documentation that authenticates traceability of the Parts is available upon request. Should Seller become aware of a confirmed or suspect Counterfeit Part that, by any means, has been delivered to Buyer or acquired for Buyer's Order whether or not delivered to Buyer, Seller shall notify Buyer in writing as soon as possible but not later than five (5) days of such discovery. Seller shall verify receipt of this notification by Buyer. This requirement shall survive expiration or completion of Buyer's Order. Seller shall be liable for cost of Counterfeit Parts and Suspect Counterfeit Parts and the cost of rework or corrective action that may be required by Buyer to remedy the use or inclusion of such Parts. Seller shall quarantine remaining Suspect Counterfeit Parts and Counterfeit Parts, in inventory and make them available for investigation by appropriate government authorities.

(e) Seller shall flow the requirements of this Section to its subcontractors and suppliers at any tier for the performance of Buyer's Order.

(a) For data other than computer software delivered pursuant to or in connection with Buyer's Order, Seller grants to Buyer, and all others acting on its behalf, a paid-up, non-exclusive, irrevocable worldwide license, including a right to sublicense to its subcontractors, customers and their end-users, of all such data, including copyrighted data, to reproduce, prepare derivative works, distribute copies to the public, and perform publicly and display publicly, by or on behalf of Buyer for Buyer, its subcontractors', customers' or their end-users' use or performance.

(a) Buyer may at any time, by a written change order or similar instrument issued by a duly authorized representative of Buyer, make changes within the general scope of Buyer's Order including, but not limited to, changes to (i) specifications, drawings, designs, or description of Services; (ii) method of shipment or packaging; (iii) reasonable adjustments in quantities or delivery schedules or both; and (iv) place of delivery. Seller shall comply promptly with such direction.

(b) If Buyer's change order causes an increase or decrease in the cost of performance or in the time required for performance, an equitable adjustment may be made to the Order price and/or delivery schedule and Buyer's Order shall be modified in writing accordingly. Any claim for adjustment under this Section shall be deemed waived unless asserted in writing within twenty (20) days from the date of receipt by Seller of the change order, provided, however, that Buyer in its sole discretion may receive and act upon such claim submitted at any time prior to final payment under Buyer's Order. Any such claim must set forth the amount of any increase or decrease in the cost of performance resulting from the change in the format and detail reasonably specified by Buyer. Failure to agree upon an equitable adjustment shall not relieve Seller from proceeding without any delay in performance of Buyer's Order as changed. Where the cost of property made obsolete or excess as a result of a change order is included in Seller's claim for adjustment pursuant to this Section, Buyer shall have the right to prescribe the manner of disposition of such property.

(c) Buyer's engineering and technical personnel may from time to time render assistance, give technical advice, or exchange information with Seller's personnel in relation to Buyer's Order. Such assistance, advice, and/or exchange of information shall not be construed as Buyer's consent or authority to effect any changes to Buyer's Order or the Goods and/or Services provided thereunder. Under no circumstances shall any resulting change in Goods and/or Services or provisions of Buyer's Order be binding upon Buyer unless incorporated as a change in accordance with paragraph (a) above.

(d) Seller shall provide Buyer not less than sixty (60) days' prior written notice of any organizational, operational, or other changes that may affect Seller's performance of Buyer's Order including, but not limited to (i) the relocation of any of Seller's facilities involved in the manufacture Goods under Buyer's Order; (ii) any significant changes in Seller's processes or manufacturing operations affecting the Goods; (iii) any significant changes to Seller's workforce that impacts Buyer's Order; (iv) any changes to suppliers or subcontractors; and (v) the refusal, suspension, withdrawal, or revocation of a relevant quality or manufacturing approvals or certifications.

If Seller discontinues the production of any Goods at any time within two (2) years after the final delivery of such Goods under Buyer's Order, Seller shall give Buyer at least one hundred and eighty (180) days' prior written notice of such discontinuance. Seller shall accept Orders from Buyer for such quantity of Goods as required by Buyer, at the prevailing quality and at no more than the prevailing price until Buyer has secured an acceptable alternative source of supply or, at Buyer's option, agree free access rights to Buyer or a third party designated by Buyer to the intellectual property in the Goods.

18. STOP WORK

Buyer may direct Seller to stop work on Buyer's Order for up to ninety (90) days in accordance with any written notice received from Buyer, or for such longer period of time as the Parties may agree. In such event, Seller shall take all reasonable steps to minimize the incurrence of costs allocable to Buyer's Order during the period of work stoppage. Within such period, Buyer shall either terminate Buyer's Order in accordance with the termination provisions herein or direct Seller to continue performance of Buyer's Order by providing written notice to Seller. In the event a stop work continues beyond the ninety (90) day period, an equitable adjustment to the price, delivery schedule, or other provision(s) to the extent impacted by the stop work shall be made in accordance with the principles of the "Changes" Section herein.

19. CANCELLATION; TERMINATION FOR CONVENIENCE

(a) Buyer may cancel or terminate performance or work under Buyer's Order in whole or in part for any reason by providing written notice to Seller. Upon receipt of such notice, Seller shall (i) stop work on the date and to the extent specified in the notice; (ii) terminate all lower-tier purchase orders and subcontracts to the extent they relate to the terminated work; (iii) promptly advise Buyer of the quantities of materials and work-in-process on hand or purchased prior to termination and the most favorable disposition that Seller can make thereof; (iv) comply with Buyer's instructions regarding transfer and disposition of title of such material and work-in-process; and (v) submit all Seller's claims resulting from such termination within sixty (60) days of the date of the notice of termination.

(b) Buyer shall have the right to check such claims at any reasonable times by inspecting and auditing the records, facilities, work-in-process, and materials of Seller relating to Buyer's Order. Buyer shall pay the Order price for completed Goods accepted by Buyer and the substantiated cost to Seller of raw materials and work-in-process allocable to the terminated work based on any audit Buyer may conduct under generally accepted accounting principles, less (i) the reasonable value or cost (whichever is higher) of any items used or sold by Seller without Buyer's consent; (ii) the agreed value of any items used or sold by Seller with Buyer's consent; and (iii) the cost of any defective, damaged, or destroyed work or material.

(c) Buyer shall make no payment for finished work, work in process, or raw material fabricated or procured by Seller in excess of Buyer's Order. Payments made under this Section shall not exceed the aggregate price specified in Buyer's Order, less payments otherwise made or to be made, and downward adjustments shall be made for costs of raw materials and work-in-process to reflect any indicated loss on the entire Order had it been completed. Payment made under this Section constitutes Buyer's sole liability in the event Buyer's Order is terminated hereunder.

20. TERMINATION FOR DEFAULT

(a) Buyer may, by written notice to Seller, terminate Buyer's Order for default in whole or in part if (i) Seller fails deliver the Goods or to perform the Services within the time specified in Buyer's Order or any extension authorized by Buyer unless such failure is the result of a Force Majeure Event as defined above; (ii) Seller fails to make progress so as to endanger performance of Buyer's Order; (iii) Seller fails to perform any of the provisions of Buyer's Order; (iv) Seller makes any significant change to its processes or manufacturing operations which, in the sole opinion of Buyer, adversely affects the Goods; (v) Seller experiences any refusal, suspension, withdrawal, or revocation of a relevant quality or manufacturing approvals or certifications; or (vi) Seller is adjudicated bankrupt, files a petition for bankruptcy, makes an assignment for the benefit of creditors, or if an action under any law for the relief of debtors is taken.

If Buyer terminates Buyer's Order in whole or in part, Buyer may acquire Goods or Services similar to those terminated from a third party, and Seller shall be liable to Buyer for any excess costs for those Goods or Services. However, Seller shall continue any portion of the work not terminated by Buyer.

(c) Except for defaults of vendors or subcontractors at any tier, Seller shall not be liable for any excess costs if the failure to perform Buyer's Order arises as a result of a Force Majeure Event, as defined above.

(d) Buyer may require Seller to transfer title and deliver to Buyer, as directed by Buyer, any completed Goods, partially completed Goods, and materials, parts, tools, dies, fixtures, plans, drawing, information, and contract rights (collectively referred to as "Manufacturing Materials" in this Section) that Seller has specifically produced or acquired for the terminated portion of Buyer's Order. Upon direction of Buyer, Seller shall also protect and preserve property in its possession in which Buyer has an interest. Buyer shall pay the Order price for completed Goods delivered and accepted. Seller and Buyer shall agree on the amount of payment for the partially completed Goods and Manufacturing Materials delivered and accepted and for the protection and preservation of the property. Buyer may withhold from these amounts any sum that Buyer determines to be necessary to protect Buyer against loss because of outstanding liens or claims of former lien holders. If, after termination, it is determined that Seller was not in default, or that the default was excusable, the rights and obligations of the Parties shall be the same as if the termination had been issued for the convenience of Buyer. The rights and remedies of Buyer in this Section are in addition to any other rights and remedies provided by law, or under Buyer's Order.

21. CONFIDENTIALITY

(a) Buyer may disclose to Seller certain Confidential Information, as defined herein, to facilitate Seller's performance of Buyer's Order. All Confidential Information and any other technical information provided by Buyer to Seller shall at all times be and remain the property of Buyer and shall only be used by Seller in connection with Seller's performance of Buyer's Order. Unless agreed otherwise, Seller shall return all copies of Confidential Information provided by Buyer upon completion of Buyer's Order, unless agreed otherwise in writing by Buyer, or at any time upon Buyer's request. "Confidential Information", as used herein, includes, but is not limited to, specifications, drawings, designs, technical data, data sheets, schematics, diagrams, configurations, business, financial, statistical, and commercial information, formulae, analyses, trade secrets, ideas, methods, processes, know-how, software, and computer programs.

(b) Seller hereby agrees that any Confidential Information disclosed by Buyer (i) shall be maintained in a secure location; (ii) shall not be copied without the prior written approval of Buyer; (iii) shall be used by Seller solely to facilitate performance of Buyer's Order; and (iv) shall only be disclosed to Seller's employees on a need-to-know basis. Seller shall not disclose Buyer's Confidential Information to any third parties including, but not limited to, Seller's agents, consultants, vendors, suppliers, or subcontractors, without the prior written approval of Buyer. In the event Buyer provides Seller with written approval to disclose Confidential Information to a third party, Seller shall ensure all third parties are bound by terms and conditions consistent with this Section prior to receiving such information. If it becomes necessary for Seller to disclose Buyer's Confidential Information to a third party as a result of a requirement of law or regulation, such Confidential Information may be disclosed only to the extent required by law or regulation and, if so permitted, no earlier than five (5) business days after Seller provides Buyer with written notification of the requirement for such disclosure. Unless agreed otherwise, Seller shall return all copies of Confidential Information provided by Buyer upon completion of Buyer's Order or at any time upon Buyer's request.

In the event of a Breach, Seller shall notify Buyer of such event, including the mitigating actions taken.

23. PATENT INDEMNITY

Seller further agrees to indemnify Buyer against any and all losses and damages, including court costs and attorney's fees, resulting from the bringing of such suit or proceeding, including any settlement or decree of judgment entered therein. Buyer may be represented by and actively participate through its own counsel in any such suit or proceeding, if it so desires. Seller's obligation hereunder shall survive acceptance of the Goods or processes and payment by Buyer and expiration or completion of Buyer's Order.

24. PROPRIETARY RIGHTS

(a) Unless otherwise agreed in writing, all tangible and intangible property including, but not limited to, information or data of any description, drawings, computer software, know-how, documents, trademarks, or copyrights ("Buyer's Intellectual Property") provided by Buyer to Seller, or paid for by Buyer under Buyer's Order, shall be and remain the property of Buyer. Buyer hereby grants a limited license to Seller to use any such Buyer's Intellectual Property solely for the purposes of performing Buyer's Order. This license is non-assignable, and may be terminated with or without cause by Buyer at any time.

(b) Seller agrees to assign to Buyer any invention, improvement, discovery, ideas, works of authorship, or data, whether or not patentable, conceived or reduced to practice in the performance of Buyer's Order by any person employed by or working under the direction of Seller, and Buyer shall own exclusively all rights thereto, including all patent rights, copyrights, moral rights, rights in proprietary information, trademark rights, and other intellectual property rights.
